VI. MEASURABLE ANNUAL GOALS

Annual Goal	Baseline	How Measured
Reading Comprehension: Given a seventh grade passage, Jordan will identify the main idea and two supporting details in 4 of 5 trials.	2 of 5 trials	Teacher-made probes, biweekly
Math: Jordan will solve two-step equations with 80% accuracy.	45% accuracy	Curriculum-based measures, monthly
Task Completion: Jordan will begin independent work within 2 minutes of the direction in 4 of 5 observations.	Average of 7 minutes	Teacher observation checklist, weekly
Self-Advocacy: Jordan will ask for help or a clarification when he does not understand a direction in 3 of 4 opportunities.	Rarely asks	Teacher and para data sheet, weekly

VII. BEHAVIOR SUPPORT PLAN

Behavior of concern: Putting his head down and refusing to start work during independent assignments, about 4 times a week.

Function: To avoid tasks that seem too long or too hard.

Prevention strategies: Give the first step of the task in writing. Check in within the first two minutes of independent work. Offer a choice of which problem to start with.

Replacement behavior: Jordan will use a help card or ask for a short break.

Response: Quietly prompt Jordan to use his help card. Do not argue or repeat the demand in front of peers.
